(She's trouble)

Wow!

She spreads like disease and she scratched all my CDs

(She's trouble)

She walks through the street like she's just about to
Sneeze

(She's trouble)

Oh her life is so unpredictable

(She's trouble)

An expensive pension plan that is getting out of hand

(She's trouble)

Ooooh

She's the answer

Ooooh

To every question

Ooooh

She holds the key to

Ooooh

My affection

I'm a little bit outta luck

She's outta town

Trouble!

She preys on the boys in the bars with fancy cars

(She's trouble)

She lets them buy her a drink then she kicks them to
The kerb

(She's trouble)

She's a T-R-O-U-B-L-E girl

(She's trouble)

She's a M-O-N-E-Y kinda fly girl

(She's trouble)

Ooooh

The kinda girl that

Ooooh

Can make a grown man cry
Ooooh

I'm a little bit outta luck
She's outta town

There's a liberty she hasn't took that I haven't found

I'm a little bit outta luck
She's outta town...
