If talk is cheap, babe  
Why waste precious time  
All intentions are clear  
I speak my mind  
Feel so excited  
To be alone with you  
Stretch your body to mine  
I see that youÂ...

Â... Feel it in your heart  
You say it with your eyes  
So turn the music up  
And turn the lights down, baby

Hush, hush  
You don't have to say a word  
Love will talk  
Love will talk  
One touch  
All the feelings can be heard  
Love will talk  
Love will talk to you

Trust your emotions  
That you feel inside  
Let the language of love  
Be your guide  
You want what I want tonight  
Merci beaucoup  
Step by step  
You know dreams come true when youÂ...

Â... Listen to your heart  
You can hear your body talk  
So, come a little closer  
There's magic in the dark, baby

REPEAT CHORUS

Ooh, love will talk to you baby!

SOLO

No more conversation  
Just whisper my name  
Passion speaks louder  
Than words could ever say  
Listen, love is hear to stay!

REPEAT CHORUS TO FADE
