Love's a cliff
And I'm pushing you over it
You may not know it yet
Hey boy, you're gonna go for a tumble
You'll never forget
You will not forget

'Cause I'm too turned on
Can't turn back
All heated up and can't cool down
Too turned on
I can't turn back now
I'm too turned on
Can't turn back
All heated up and can't cool down
Too turned on
I can't turn back now

Love's a spark
Could light out of the dark
But then, you just wanna dance
Oh boy, I'm gonna take this matter into my hands
I'll take you in my hands

REPEAT CHORUS

Love's a chance
Let me take it
While you sit back and play the tape
I'm gonna find someone who gives me more than just
a taste

Love's a spark
Could light out of the dark
But then, you just wanna dance
Oh boy, I'm gonna take this matter into my hands
I'll take you in my hands

REPEAT CHORUS

I've always wanted you
Ooh, ooh, ooh

Got to tell you
Iâ've always wanted you
Ooh, ooh, ooh
Got to tell you

Too, too turned on
Too, too turned on
Too, too turned on
No, no no

REPEAT TO FADE
