Now the time has come
Boy I have to know
Are you just here for the ride?
There's no second chance
If you let me go
So you better decide

I need more than a part-time boy
I hope you understand
So you'd better get serious
If you want to be my man

It's now or never
'Cause I need forever
Baby you had better make up your mind
If you wanna be together
I need forever
You've got to be the kind of man
To stand the test of time

If you need my love
I have lots to give
But I've got to be sure
You should stop and think
Just how you would feel
If I walked out the door

I need all that a man can give
I just won't settle for less
Baby tell me what's on your mind
You know we're wastin' time

REPEAT CHORUS

You can run away from love
And hide from what you feel
But if you want to stay with me
You've got to stay with me
Stay with me for real

SOLO

I need all that a man can give
I just won't settle for less
Baby tell me what's on your mind
You know we're wastin' time

REPEAT CHORUS TO FADE
