Everybody has heard
The word goodbye
So what's the matter
You're not the first to cry

You just need a love that's strong
Need someone who can hold on
Better face your feelings
Never hode youe heart
It's time to make another start

[CHORUS]

Bounce back into love
Once is not enough
Bounce back, be tough
When the going's getting rough
Bounce back into love
Don't be giving up
Bounce back cause it
Feels so good (feels so good)
Better bounce back, bounce back

It's a jungle at night
Hearts are on the loose
Face to face, eye to eye
Who will make the first move

Once you've felt that magic touch
You can never get too much
Get back on your feet cause
This is not the end
If you wanna feel that way again

[Repeat CHORUS]

(So good, so good, so good)
(So good, so good, so good)

Get back on your feet cause
This is not the end
If you wanna feel that way again

[Repeat CHORUS 2x]

Bounce back into love
Once is not enough
Bounce back, be tough
Be tough

Bounce back into love
Don't be giving up
Bounce back cause it
Feels so good

Bounce back into love
Get back on your feet now, baby
Bounce back, ooh, yeah
Bounce back...
