You're a young man, a sweet guy  
Handsome, kinda shy  
You got a nice car, a steady job  
Money, you got plenty of

What can I give a man with everything  
Just one thing you need

(CHORUS)

You need one loving woman  
Every home should have one  
Two hearts filled with passion  
Make your house a happy home  
You'll never be alone  
When you've got one loving woman  
Every home should have one

I'm a woman longing  
For loving, belonging  
Got ideas, plenty of them  
I can help you with your problems

Don't you know that I'm  
Gonna give to you my everything  
Everything you need

(CHORUS)

Don't you know that I'm  
Gonna give to you my everything  
Everything you need  
Everything you need

You need one loving woman  
Every home should have one  
Two hearts filled with passion  
Make your house a happy home  
You'll never be alone

When you've got one loving woman  
Every home should have one  
Two hearts filled with passion

Make your house a happy home  
Oh, you'll never be alone

When you've got one loving woman  
Every home should have one  
Two hearts filled with passion  
Make your house a happy home  
You'll never be alone
