Sweet thing, stay with me tonight  
Take me into love  
Whispers, wine and candle light  
Baby, we can feel so good

So won't you come to me  
Lay down in meticulously  
Let me show you my secret side

Oh, baby can't you see  
We're there for together it seems  
We got pleasure in our stars tonight

Let me be the tutor that keeps you sweet  
Let me be the lover your body needs  
Wanna love you morning, noon and night  
Baby, never stop

Gonna be the fantasy in your dreams  
Wanna feel the thrill of your body heat  
Baby, don't you realize we're so good together  
Ain't no sin, baby givin' into love

Oh, baby rock me softly in a kiss  
Make me lose control  
Heaven never felt like this  
Perhaps the only place I know

So baby, hold me tight  
Tell me what you're dreaming of  
Lay it down how a night should be

Come on and light my fire  
No doubts, baby give it up  
Are you ready for the way I feel

Let me be the tutor that keeps you sweet  
Let me be the lover your body needs  
Wanna love you morning, noon and night  
Baby, never stop

Gonna be the fantasy in your dreams

Wanna feel the thrill of your body heat  
Baby, don't you realize we're so good together  
And it ain't no sin baby, givin' into love

Let me be the tutor that keeps you sweet  
Let me be the lover your body needs  
Wanna love you morning, noon and night  
Baby, never stop

Gonna be the fantasy in your dreams  
Wanna feel the thrill of your body heat  
Baby, don't you realize we're so good together  
It ain't no sin, baby givin' into love

Oh no, I'm giving into love

So baby, hold me tight  
Tell me what you dreaming of  
Oh, lay your loving down for me  
The way it ought to be

Come on and light my fire  
No doubts, baby, give it up  
Are you ready for the way I feel?  
Let's start thinking about the love

Let me be the tutor that keeps you sweet  
Let me be the lover your body needs  
Wanna love you morning, noon and night  
Baby, never stop

Gonna be the fantasy in your dreams  
Wanna feel the thrill of your body heat  
Baby, don't you realize we're so good together  
Baby, don't you know it ain't no sin givin' into love

Let me be the tutor that keeps you sweet  
Let me be the lover your body needs  
Wanna love you morning, noon and night  
Baby, never stop

Gonna be the fantasy in your dreams  
Wanna feel the thrill of your body heat  
Baby, don't you realize we're so good together  
And it ain't no sin, baby givin' in, givin' in, givin' into  
love

Let me be the tutor that keeps you sweet  
Let me be the lover your body needs  
Wanna love you morning, noon and night  
Baby, never stop

Gonna be the fantasy in your dreams  
Wanna feel the thrill of your body heat  
Baby, don't you realize we're so good together
