It's official raise your glasses
Cause this party gonna go to Damascus

[Wyclef Jean]
Yeah, she said her dad's in the Army and he's the

And if he ever found out, he'd have me swimmin with
the fishes in the water
Now I'ma say somethin crazy girl, I love you
I know we meetin for the first time in the club, but this
feels like a deja vu

[Break] - w/ ad libs

You's a fine dreadlock, come on get
How many times Missy crushed the very best?
How many bombs on my summer, Funk Flex? (uh)
As many times as Teddy Reilly said "yep, yep"
Did you get it?
I stays on your mind like a fitted (uh)
Like Diddy make you walk for cheesecakes to the city
