I was lost, filled with hesitation  
Without a plan, no determination  
Until we met, you were my salvation  
And now I know

There's nothing I can't do in my life  
As long as I have you in my life  
You let me see the strength I have so deep inside  
Now I believe, I know that I can

Reach, reach for a shining new tomorrow  
Reach, reach for a better day, a better day  
Reach, reach for something higher, something brighter  
Reach for the love, reach for the love

And when I rise a brighter love is shining  
And everyday I'm gonna keep on trying  
And though the road is sometimes long and winding  
Come walk with me

Every step of the way and my life  
Is better every day, yes, my life  
Is better for the deeper love you've shown to me  
Now I believe, I know that I can

Reach, reach for a shining new tomorrow  
Reach, reach for a better day, a better day, yeah  
Reach, reach for something higher, something brighter  
Reach for the love, reach for the love, reach out for the love

Reach  
Reach out, reach out, reach out  
Reach out, reach out, reach out  
Reach out, reach out, yeah

Well, I know that my life  
Is better every day, yes, my life  
Is better for the deeper love you've shown to me  
Now I believe, I know that I can

Reach, reach for a sunny new tomorrow

Reach, reach for a better day, a better day, yeah  
Reach, reach for something higher, something brighter  
Reach for the love, reach out for the love

Reach, reach, a brighter day tomorrow  
Reach, reach gotta have better day, a better day, yeah  
Reach, reach, need something higher and brighter  
Reach for the love, reach for the love, yeah

Reach, reach, you were my salvation  
Reach, reach, I have no determination  
Reach, reach, I was filled with hesitation  
Reach for the love

I want you to reach, reach  
Reach, reach  
Reach, reach  
Reach for the love

I want you to reach, reach  
Reach, reach
