(CHORUS)

In the heat of heat  
The heat is so hot  
My body takes control  
In the heat of heat  
The heat gets so hot  
My passion overloads

A lonely room  
Until you walked in  
Too positive to ignore  
This sensual curiosity  
Affecting me like  
No other has before

I see your face and chills  
Run up and down my legs  
I hear your voice, my passion's  
Pumping through my veins

I feel your touch, the  
Heat is driving me insane  
I lose control, I think  
I wanna love you and  
I don't think I'll ever stop  
No, I don't

In the heat of heat  
The heat is so hot  
My body takes control  
In the heat of heat  
The heat gets so hot  
My passion overloads

Your touching me  
With hands of fire  
Just comes naturally

I'm not easily hot,  
You just hit the spot  
Nothing to prove  
I know you've got a lot

I see your face and chills  
Run up and down my legs  
I hear your voice, my passion's  
Pumping through my veins

I feel your touch, the  
Heat is driving me insane  
I give in, I think  
I wanna love you and  
I don't think I'll ever stop  
No, I don't

(CHORUS)  
My passion overloads

(CHORUS)

And I don't think I'll ever stop  
No, I don't

Is it love (In the heat of heat)  
Heat of heat or is it lust  
(In the heat of heat)  
Heat of heat

Ahh, ahh...  
Don't think I'll ever stop

I see your face, chills run  
Up and down my legs, baby  
I hear your voice  
My body takes control  
In the heat of the heat

I feel your touch  
Heat is driving me insane  
Hoo, hey, yeah, ooh

I lose control, I think  
I wanna love you, babe  
Don't you know  
The heat is so hot

In the heat of heat  
The heat is so hot  
(My body takes control)  
My body takes control  
(In the heat of the heat)

In the heat of heat

The heat gets so hot  
(In the heat of the heat)  
My passion overloads  
(My passion overloads)

My body takes control  
In the heat of heat  
The heat of heat...
