Uh la la la I love you baby
Uh la la la la stay with me /2x

I, I got your love, you got my mind
Can take my hands but you won't take my life
Don't waste my time bring me your love
And baby you can be mine

I never wanted this to happen to me but I feel
Your love is right and I will always be there yeah

Uh la la la I love you baby
Uh la la la la stay with me
Uh la la la I love you baby
Uh la la la la
Uh la la la la la la
La la la la la la la la

You got to be a friend, got to be right
Don't hurt me boy then I will say goodbye
Don't bring me down, don't stand so close
Oh baby don't fool around

I never wanted this to happen to me but I feel
You love is right and I will always be there yeah

Uh la la la I love you baby
Uh la la la la stay with me
Uh la la la I love you baby
Uh la la la la [stay with me o'right]

'Cause you baby you know you make it right
My blood pressure rise high I got hype
I don't know why I know you think I'm obsessive
The type of guy I can be over possessive
Giving all that I can give best wishes
On how we live just us two is I really true

Love me tonight till the sky turn blue
Tonight is the night so tell me what you wanna do

I never wanted this to happen to me but I feel
Stay with me and I will always be there yeah
Uh la la la...
