I'm no angel
I can't ease your mind
Moi, je suis belle
But the hurtin kind, yes I am
What you want from me
I can't give to you
Baby I'm not good you see

I'm a hard ass baby
I would drive you crazy

Well it's so much better wid out ya
You gotta live another way
You outta know it's better wid out ya

You know it's all I really have to say

I'm stronger
Than you'll ever know
I no longer
Have the need to show, what is so
What you do to me
I can't do to you
Baby I'm not good you see

I'm a hard ass baby
I would drive you crazy

Well it's so much better wid out ya...
