La-la-la

We can leave this world behind,  
Let the sun refuse to rise,  
But when nothing comes to mind,  
Poseidon is a friend of mine,  
Don't let go,  
The water's warm,

We'll be taken by the storm,

So come with me into the sea...

Walk with me and we'll be,  
In a different world tonight,  
Walk with me and we'll be alright,

All across the great divide,  
We'll make friends below the tide,  
'Cause our love is ocean wide,  
And there's nothing left to hide,  
Don't let go,  
The water's warm,  
We'll be safe below the storm,

So come with me into the sea...

Walk with me and we'll be,  
In a different world tonight,  
Walk with me and we'll be alright,

Let's all drift away,  
Leave behind your lonely day,  
Let's all drift away,  
Leave behind your lonely day,

Walk with me and we'll be,  
In a different world tonight,  
Walk with me and we'll be alright,
