It's love,
You can see it in his eyes,
Little girl,
Any man is yours tonight,
In the city,
All the lights are shining bright,
Little girl
Everything you do is right,

Pretty young thing,
You know you own the room,
You're a beautiful girl,
You make his whole world move,
She's a pretty young thing,
You know they're watching you,
Beautiful girl,
Can he get next to you?

Pretty young,
Pretty pretty young thing,
Pretty young thing,

Time stops,
When you walk into the room,
Little girl,
Guess it's standing still for you,
In the city,
Gonna dance 'til morning light,
Little girl,
Must be doing something right,

Pretty young thing,
You know you own the room,
You're a beautiful girl,
You make his whole world move,
She's a pretty young thing,
You know they're watching you,
Beautiful girl,
Can he get next to you?

She'll be dancing 'til the morning light,
No one could forget how she looks tonight,

She'll be dancing 'til the morning light,
Nobody can forget her,

Pretty young,
Pretty, pretty young thing,
Pretty young thing,
Pretty young,
Pretty, pretty young thing,
Pretty young thing,

Pretty young thing,
You know you own the room,
You're a beautiful girl,
You make his whole world move,
She's a pretty young thing,
You know they're watching you,
Beautiful girl,
Can he get next to you?
Pretty young thing.
