Beyond time and released from sin  
As we prow to the slain, determination grim  
As a visor who feeds the soil, and the wheel turns  
again  
These last great men will walk, the final links in a chain

One soul is eternal  
Nothing is above that soul

Spirits forged in darkness and hewn from love  
Welcome the death of the lie, all hail the bleeding dove  
With our heads in a deathless realm, our feat firm on  
the land  
Heed, this nature is summoned, for the final stand

One soul is eternal  
And nothing is above that soul

Ja, ich weiss, und er ist samme  
Ungesettich bleich ett Flamme  
MÄ¼de und versettnich ist  
Nicht mehr alles ist Wasser  
Kohl alles was ist das Wasser  
Flabben bin ich sicherich  
Flammen bin ich sÄ¼cherÄ¼ch

We discovered the first one, as he too is the last  
On murder sign on the homeland, trough which all  
must pass  
Rising upper mist of fear, moving like shadows unseen  
Echoing the ancient forests, clothe in black and green

One soul is eternal  
And nothing is above that soul

From the smallest of creatures, up thorough the  
spiraling coil  
Down from the world of spirits, return back into the soil  
From the falling moon, to the ascending sun  
Hail eternal recurrents, now all is one

All is one  
All is one  
All is one  
Die Wahrheit ist einz
