You're attractive, little witch, you're beautiful  
You're wickedness, little witch, it broke my heart  
Enchanting words, little witch, you cast a spell  
Mass destroyer, little witch, my beautiful apocalypse

You got me bewitched, 'cause I'm under your spell  
Oh, oh, oh  
You must be a witch, 'cause I am living in hell  
Oh, oh, oh

Now is the time, now is the hour  
I am the magic, I am the power oh  
All you need is one star in the sky  
Wish for you, every night

I tricked you to fall in love, little boy  
I played with you, till I was done, like a toy  
Caught in love, as I destroy the end of you  
So easily fooled, little boy, to think it's true

You got me bewitched, 'cause I'm under your spell  
Oh, oh, oh  
You must be a witch, 'cause I am living in hell  
Oh, oh, oh

Now is the time, now is the hour  
I am the magic, I am the power oh  
All you need is one star in the sky  
Wish for you, every night

Now is the time, now is the hour  
To take back my heart, to take back my power  
This is the moment to break your spell  
I see right through you, now burn in hell

Now is the time, now is the hour  
To take back my heart, to take back my power  
This is the moment to break your spell  
I see right through you, now burn in hell

Now is the time, now is the hour

To take back my heart, to take back my power  
This is the moment to break your spell  
I see right through you, burn in hell witch

You got me bewitched, 'cause I'm under your spell  
Oh, oh, oh  
You must be a witch, 'cause I am living in hell  
Oh, oh, oh

Now is the time, now is the hour  
I am the magic, I am the power oh  
All you need is one star in the sky  
Wish for you every night
