My fashion is so sick
My fashion will make you lick
My fashion will make you lick
Watch those panties fucking drip
Scene hair weave
Scene hair keen
Scene attitude so fucking mean
Get on the floor
Get on the whore
Pull down your pants and drop your drows
LIKE OMG DAHVIE YOUR SO obscene
Bitch I'm the motherfucking war machine
Don't give a fuck just bust your grill
Don't give a fuck just throw your mill
Throw them bows
Throw them hoes
Throw those motherfuckers who get to close
Porn star bash
Porn star splash
Like to party with
My porn star cash
Pretty damn stoned
Pretty damn owned
Pretty fucked up... ya I knowooooooooooooooooooooooooooooo
Chorus:
Do you want be a super star
Get fucked up and go real far
Do you wanna be a zillionaire
Throw them hands in the air
Do you want be a super star
Get fucked up and go real far
Do you want to be a zillionaire
Throw them hands in the air
Or do you want to be a porn star
Fuck for money and go real far
Do u wanna be a zillionaire
Throw them hands in the air
Do you want be a super star
Get fucked up and go real far
Do you wanna have everything
Do you wanna be anything
