Crank It Up! Up! Up! Up! Up! Up!
Crank It Up! Up! Up! Up! Up! Up!
Crank it Up! Up! Up! Up! Up! Up!

Cause the girlies suck my dick like an ice cream stick
An ice cream stick?
An ice cream stick.
Cause the girlies suck my dick like an ice cream stick

All the way down! (An ice cream stick)

Cause the girlies rub my nuts on the ice cream truck
The ice cream truck?
The ice cream truck.
Cause the girlies rub my nuts on the ice cream truck

All the way down! (The ice cream truck)

You and me
An ice cream sandwich
My sweet cream
Is too much to manage
Put your cherry right on top
Once you pop you cannot stop
Watching panties fucking drop
Like an orange push up pop
Your an addict
Problematic
I will be your
Brand new habit
Pineapple, butterscotch
Rub your chest
And touch your crotch
Baby grab my waffle cone
I'll make you scream
I'll make you moan
You're a fiend
Drama queen
Tearing up
The music scene
I'm an addict

Problematic
I will be your
Brand new habit

The girlies suck my dick like an ice cream stick
An ice cream stick?
An ice cream stick.
Cause the girlies suck my dick like an ice cream stick

All the way down! (An ice cream stick)

Cause the girlies rub my nuts on the ice cream truck
The ice cream truck?
The ice cream truck.
Cause the girlies rub my nuts on the ice cream truck

All the way down! (The ice cream truck)

Well, suck me.
