It's hard to see the fear inside
As I walk away from you
And distance overcomes the miles
As slowly I pull through
And I cannot reach the world today
'cause I'm suffering from you
And the more I think, the more I cry
As I walk away from you

[Chorus:]

I'm two steps away
From loneliness
I'm awake
From the mess we made
I'm alive
And I'm feeling incomplete

I don't understand my life
Or the version that chose you
And the warring hearts and winter came
Now there's nothing left to do
And I cannot reach the world today
'cause I'm suffering from two
And the more I think, the more we die
As I walk away from you

[Chorus]

[Bridge:]

I'm two steps away
I'm two steps away
I'm two steps away
I'm two steps away

Two steps away
Two steps away
From loneliness
I'm awake
From the mess we made
I'm alive

Two steps away

Two steps away
Two steps away
