I give you all I have, baby
But when you leave my arms I know
It's to another lovers, on to her
A breaking my whole heart in two
Well, baby, I'm telling you

It's all or nothing
Baby, it's all or nothing
Nothing at all

If you want my kisses, baby
Ah, you better want them all the time
'Cause from now on you'll kiss no lips but mine
'Cause all your cheating days are through
Can't take no more, I'm telling you

It's all or nothing
Baby, it's all or nothing
Nothing at all

Can't take this part time of loving
Baby, baby, I need all your loving

All or nothing
Baby, it's all or nothing
Nothing at all, yeah, alright

All or nothing
Baby, you give all or nothing
Give it up, baby, alright
I don't want you no more, alright
All
