verse: ive been here too long feeling sorry for myself  
ive been too upset to make the first step but now i see  
the light at rainbows in finally i found my peace withing

chors:i want to be free every minute of my life i wanna  
be the best i can be i want to be free in the days that lie  
ahead im gonna see all there is to see

i coming out of this another day is too long theres a life  
out there that my name is on thank you father for this  
serenity and blessing im rich because you walked with  
me.

repeat chorus

bridge: theres nothing to stop me no one can block me  
im going all the way dont want you to hold you cant  
control me.

repeat chorus
