I must have rehearsed my lines  
A thousand times  
Until I had them memorized  
But when I get up the nerve  
To tell you, the words  
Just never seem to come out right

If only you knew  
How much I do  
Do love you  
If only you knew  
How much I do  
Do need you

I dream of moments we share  
But you're not there  
I'm living in a fantasy  
'Cause you don't even suspect  
Could prob'ly care less

About the changes I've been going through

If only you knew  
How much I do  
Do love you  
If only you knew  
How much I do  
Do need you

No, you don't even suspect  
Could prob'ly care less  
About the changes I've been going through

If only you knew  
How much I do  
Do love you  
If only you knew  
How much I do  
Do need you

If only you knew  
How much I do

Do love you  
If only you knew  
How much I do  
Do need you
