Ask me how much you mean to me
And I wouldn't even know where to start
Ask if this love runs deep in me
You wouldn't find a deeper love in any heart

You could say, you couldn't live one day without me, no
You could say all of your thoughts are thoughts about
me
You can think no other love can be as strong but
You'd be wrong, you'd be wrong

If you say that you love me
More than anybody than anyone's
Ever been loved before
As much as you love me
Baby, I'll still love you
Baby, I'll still love you more
I'll still love you more

Ask me just what I'd do for you
I'll tell you that I would do anything
Ask if this heart be true for you
I'll show you a truer heart could never be, no

You could say, there's not a star that you won't bring
me
You could say, there'll be no day that you won't need
me
You could think no other love could last as long
But you'd be wrong, you'd be wrong

If you say that you love me
More than anybody than anyone's
Ever been loved before
As much as you love me
Baby, I'll still love you
Baby, I'll still love you more

And for every kiss, I'll kiss you back a hundred times
And forever thing you do I'll just do more
And for all the love you give, I'll give so much back
you'll see

I have so much love for you inside me

Yeah, no matter how much you care

And I know you do

Baby, I'll still love you more

I'll still love you, I'll love so much more

You could say
