I use to sing to an empty room. I was so lonley and so
out of toon. Then you came around and made my life a
happy song. It's a joy to have your love. Such a joy to
feel your love. Never set me free, cause darline i can't
be without you without you baby. I use to go to a show
all alone. I'd sit through it twice I just couldn't go home.
Then you came alone and gave my life a happy song.
It's a joy to have your love, such a joy to feel your love.
Never set me free, cause darline I can't be without you,
without you baby. Have you baby, have you baby. ohh. I
feel so good havin you around. It's a joy to have you,
It's a joy to see you, It's a joy to feel you, such a joy to
have your love. it's a joy to have, such a joy to feel.
Never set me free cause baby I don't wanna be can't be
without you.
