Re, re, re, re, re, re, re, re  
Release yourself  
Release, release  
Release yourself

Every day's a new day, everyday was carved  
Move in to the rhythm that's repeating in your heart  
Every day's a challenge, every day we'll try  
Lines got to find in toe to toe when I had you on

Re, re, re, re, re, re, re  
Release yourself  
Re, re, re, re, re, re, re  
Release yourself

Living for tomorrow, got your dreams all laid away  
Ah, there's so much pressure, you deserve a break  
today  
(Release)  
Every thing's a problem and you can't take much more  
Turn up the music, get your body on the floor

Re, re, re, re, re, re, re  
Release yourself  
Re, re, re, re, re, re, re  
Release yourself

Release, release, release yourself  
Release, release, release yourself  
Release, release, release yourself  
Release, release, release yourself

Get up, get down, get up, get out  
Do this, do that, solve your problem  
Or no, you better jump that

Get up, go on, get up, get on  
I do, I don't  
Maybe I will but maybe I won't

Release, release, release yourself  
Release, release, release yourself

Release, release, release yourself  
Release, release, release yourself

You're overworked, you're underpaid  
You gotta make it to the top, you gotta make the grade  
You're overworked, you're underpaid  
You gotta make it to the top, you gotta make the grade

Overtime, you're earning, earning  
But you lose your mind, you crash and burn  
Overtime, you're earning, earning  
But you lose your mind, you crash and burn

Why don't you just try to relax?  
Cool it, cool it, cool it  
Just a little

Got to find a new way, got to make us count  
Listen to the rhythm that's repeating in your heart  
You've got the power, drink it off the shelf  
If you don't enjoy your life, you can blame nobody else  
so

Why don't you let, let yourself go?  
Why don't you let, let yourself go?  
Why don't you let, let yourself go?  
Why don't you let, let yourself go?

Release, why don't you? Why don't you?  
Release, why don't you? Let it go  
Release, why don't you? Why don't you?  
Release, why don't you? Let it go

Why don't you? Why don't you?  
Why don't you? Let it go  
Why don't you? Why don't you?  
Why don't you? Let it go

Let it go, let it  
Let it go, let it  
Let it go, let it  
Let it go, go

Let it go, let it  
Let it go, love it  
Let it go, love it  
Let it go

Let it re, re, re, release, release  
(Release yourself, relax and let it go)  
Release, release, release

(Release yourself)

Release, release, release

(Release yourself)

Release, release

(Release yourself)
