(Chorus)

Somebody loves you baby  
ooh ooh ooh  
Somebody loves you baby  
ooh ooh ooh  
Somebody loves you baby  
ooh ooh ooh  
Somebody loves you baby  
You know who it is

It happened so suddenly  
I woke up one morning with you on my mind  
No matter what I did  
Couldn't stop thinking about you  
Wanted instant replay of yesterday

(Chorus)

I'm under your spell  
I don't want to break free  
You can make a slave out of me  
I worship you and nobody else  
I pledge my love to you forever

(Chorus x2)

I need you right now  
Baby don't say no  
Cause you look like you ready to get it on  
Whatever you give me  
I give it to you back  
All the love you'll ever need I'll give it to you

(Chorusx2)
