Give me the sun  
I'll give you the moonlight  
Love will set us free  
If we just believe the best is yet to come

Show me your smile  
I'll fill it with laughter  
That will light your mind  
As long as we believe  
The best is yet to come

Can you see what I see  
On the road ahead  
Do you know  
There's a new life there  
Waiting there

Give me the world  
I'll give you heaven  
Love long as we believe  
The best is yet to come

Give me the sun  
And I'll give you the moonlight  
Yes I will

Can you see what I see  
On the road ahead  
Do you know  
There's a new life there  
Waiting there  
Give me the world  
And I'll give you heaven  
Love will set us free  
As long as we believe  
The best is yet to come

Baby don't you know that  
As long as we believe  
The best is yet to come  
Oh play it now

I will give you love and understanding  
If you show me your love

Hay. Hey  
Give me the sun  
Show me your smile  
Give me your world  
Baby ah, ah

I'll be what you want me to be yeah  
I'll give you moon light  
I'll fill you with laughter  
I'll give you a

Hey, Hey, Hey, Hey  
The best is yet to come
