A real man
Strong but tender
Baby thats the kinda man i need
to his love i will surrender
Cause he'll keep his mond on pleasing me

CHORUS:
he's the right kinda lover
I'll never need another
sure 'nuff he's got the stuff
he's the right kinda lover fot me

CHORUS
An interesting conversation
Every night when i get down on my knees and pray
I thank the lord for sending me Mr. Right my way
This kind of love had to come from heaven down
I ain't never going to let him go
Because i need this kind of man around

CHORUS
