My life has meaning now
Since you came
I've been changed in so
Many ways
I'm feeling free
And my lifes a song
There's no other way to describe
What it is that
Your kiss does to me
You give good love to me
Satisfy all my needs
You make me feel so alive

CHORUS

This word is all
I have to say
I love you every way
This (BK)
All that i have
And all i can't hold back
With a feelin' like that

VERSE 2

When you are gone and
This feeling comes on
I'm content all alone
Till you come back home
This word is all
You are the one for me
I'd give anything
Just to keep you satisfied
You shared with me so
Unselfishly
And i'll never take you for granted
Your heart
You are the piece of mind
That seemed so hard to find
And i never want to let you go

CHORUS

This word is all
I have to say
I love you every way
This (BK)
All that i have
I'll never go
Cause i'm lovin you so

BRIDGE

I've been in love before
And you know i really thought
That i had it all
Til i met you then i knew
I never had the meaning of love
Of love
Til i found you

BREAK

TAG

This word is all
There's no holding back
With these feelings i have

AD-LIB

Just hold me
You know me
And all that i need
Love, love
I never knew love like this
I never knew what i'd missed
