Here we are, just goin' through the motions one more
time

You look into my eyes, but you don't see me
Here I am, feelin' like a stranger in your arms
I touch you, I hold you, but lately I don't know you

Something is wrong, but we go on from day to day
And we just pretend it all away
We act like nothing's changed
But in our hearts we know, it's not the same, oh, no

?Cause we're not makin' love anymore
Baby, we're not makin' love like before
We may hold each other tight
Say that everything's alright
But we're not makin' love, mmm, hmm

Remember when you couldn't wait to run into my arms
When the love inside my heart was all you needed
Remember when you made me wish the night would
never end
The fire, the thunder, we lived to love each other

If ever two hearts were one, then it was yours and mine
That was another place in time
Now all we have to show
Are memories of a dream we used to know

?Cause we're not makin' love anymore
Baby, we're not makin' love like before
We may hold each other tight
Say that everything's alright
But we're not makin' love

When did we lose our way
We had it all
Don't know how it all just slipped away
Oh, but, oh, can we get it back again
Is it too late
Can we try (Can we try)
Just one more time (One more time)
?Cause darlin'

?Cause we're not makin' love anymore
Baby, we're not makin' love like before
We may hold each other tight
Say that everything's alright

But we're not makin' love anymore (Anymore)
Baby, we're not makin' love like before
We're not makin' love anymore
Can we find a way to try
Find the magic one more time
?Cause we're not makin' love
