I understand that life can't be an endless party  
And I know that you have to pay your bills  
We also need to shed a tear or two sometimes  
But the thing I do not need in my life is

Jealousy  
The feast for the beast  
Jealousy  
What waste of time

I understand that life ain't an amuseur park  
but more like a russian roulette  
sometimes you find yourself back against a wall  
I never wanna find myself dealing with

Jealousy  
The feast for the beast  
Jealousy  
What a waste of time  
Don't wanna live my days scared and weak  
Past made us who we are today  
There's no point to stare behind

Don't wanna live my days scared and weak  
Past made us who we are today  
There's no point to stare behind

Jealousy  
The feast for the beast  
Jealousy  
What a waste of time  
Don't wanna live my days scared and weak  
Past made us who we are today  
There's no point to stare behind
