1/This world is all very new to me, So don't let me
down, Cos buildings of
Sand, Come tumbling down, 2/And your heart, Is only a
part of it, So don't
Let me down, Cos buildings of sand, Come tumbling
down, (M8) You never
Really know who you are, You never really know who
you are, 3/But your
Love, Is so very dear to me, I wont let you down, Cos
buildings of sand,

Come tumbling down, (Break) (M8) You never really
know who you are,
You never really know who you are, But your love, Is so
very dear to me, I
Wont let you down, Cos buildings of sand, Come
tumbling down, I wont let
You down, Cos buildings of sand, Come tumbling
down, I wont let you
Down, Cos buildings of sand, Come tumbling down
