The sun contains rain,  
They lable vitamin D.  
If you like vitamin D,  
It'squite alright with me.  
But I am here to say,  
That I like vitamin love.  
But I can't get vitamin love,  
With that doggone sun above.  
I don't care if the sun don't shine,  
I'll get my lovin' in the evening time.  
When I'm with my baby.  
It's no fun with the sun around,  
But I get going when the sun goes down,  
And I meet my baby.  
That's when we kiss and kiss and kiss,  
And then we kiss some more.  
Don't ask how many times we kiss,  
At a time like this,  
Who keeps score?  
So I don't care if the sun don't shine,  
I'll get my lovin' in the evening time.  
When I'm with my baby.  
I don't care if the sun don't shine,  
I get my lovin' in the evening time.  
When I'm with my baby.  
It's no fun with the sun around,  
But I get going when the sun goes down.  
And I meet my baby.  
That's when we kiss and kiss and kiss,  
And then we kiss some more.  
Don't ask how many times we kiss,  
At a time like this,  
Who keeps score?  
So I don't care if the sun don't shine,  
I 'll get my lovin' any time.  
When I'm with my baby.
