I went to your wedding  
Although I was dreading  
The thought of losing you  
The organ was playing  
My poor heart kept saying  
"Your dreams, your dreams are through"

She came down the aisle, wearing a smile  
A vision of loveliness  
I uttered a sigh, whispered goodbye  
Goodbye to my happiness

Your mother was crying  
Your father was crying  
And I was crying too  
The teardrops were falling  
Because we were losin' you

She came down the aisle, wearing a smile  
A vision of loveliness  
I uttered a sigh, then whispered goodbye  
Goodbye to my happiness

Oh, your mother was crying  
Your father was crying  
And I was crying too  
The teardrops were falling  
Because we were losing you
