For always and always
I'll remember today
How you held me and kissed me
In the tenderest way
Even though you may leave me
In my heart you will stay
Though I'm lonely tomorrow
I'll remember today
For as long as I live dear
I'll remember today
How you wispered "I love you"
In the tenderest way
Through the winds of December
And the magic of May
Through a million tomorrows
I'll remember today
I remember the music
And the welcoming skies
How the sound of your voice
Through the love in your eyes
So for always and always
I'll remember today
How you held me and kissed me
In the tenderest way
Through a million tomorrows
I'll remember today
Oh how I'll remember today
