Ooooooohh.....

Every tyme I think about you  
the emotions drives me wild  
every time I'm dreaming of you  
there's feelings I can't hide  
you pick me up until I'm drunk  
what I'm a gonna do?

My heart's on fire  
with desire  
and it's burning for you

Burning like a flame  
my heart's on fire  
got me burning  
my heart's on fire  
fill me up  
my heart's on fire  
It's burning for you

Must be a potion of love emotion  
that keeps me coming back  
whenever I look into your eyes  
I see through your disguise then  
I get a love attack  
I follow through all emotion  
no way I feel the same

My heart's on fire  
with desire  
and it's burning for you

Burning like a flame  
my heart's on fire  
got me burning  
my heart's on fire  
fill me up  
my heart's on fire  
and It's burning baby, for you

Heart's on fire

heart's on fire  
heart's on fire

Burning like a flame  
my heart's on fire  
got me burning  
my heart's on fire  
fill me up  
my heart's on fire  
It's burning for you

Burning like a flame  
my heart's on fire  
got me burning  
got me burning  
got me burning  
got me burning  
I'm burning, I'm burning,  
I'm burning, I'm burning,  
I'm burning, I'm burning,  
I'm burning for you...  
heart's on fire  
I'm burning for you  
heart's on fire  
I'm burning for youuuu...  
heart's on fire...
