Woke up this morning and I looked around  
So disappointed, I laid back down  
Oh, what a dream, what a dream  
I had last night

Dreamed I held you in my arms  
But I'm still waitin' for that day to come  
Oh, what a dream (what a dream)  
What a dream (what a dream)  
I had last night

Dreamed we were walkin' down the aisle  
The organ was playing "Here Comes the Bride"  
You looked out at me and you began to smile  
When I looked around everybody began to cry

I opened my eyes, you weren't there  
All of my happiness just disappeared  
Oh, what a dream (what a dream)  
What a dream (what a dream)  
I had last night

I opened my eyes, you weren't there  
All of my happiness just disappeared  
Oh, what a dream (what a dream)  
What a dream (what a dream)  
I had last night

Oh, what a dream (oh, what a dream)  
What a dream (oh, what a dream)  
I had last night
