Like a snake calling on the phone  
I've got no time to be alone  
There is some one coming at me all the time  
Babe I think I'll lose my mind

'Cause I'm stranded on my own  
Stranded far from home  
Alright

I'm riding on a midnight train  
Everybody looks just the same  
A subway light it's dirty reflection  
I'm lost I don't have a direction

'Cause I'm stranded on my own  
Stranded far from home  
Alright

Stranded yeah far from home  
Stranded yeah I am on my own  
Stranded why don't you leave me alone

'Cause I'm stranded on my own  
Stranded far from home  
C'mon

Look at me looking at you  
There ain't a thing that I can do

You are lost your mind is a whirl  
Baby such a stupid girl

'Cause I'm stranded on my own  
Stranded far from home  
C'mon

Stranded yeah I am on my own  
Stranded I'm so far from home  
Stranded you get leave me alone

'Cause I'm stranded on my own  
Stranded far from home

Livin' in a world insane  
They cut out some heart & some brain  
'Been filling it up with dirt  
Do you know how much it hurts...  
To be

'Cause I'm stranded on my own  
Stranded far from home  
Alright's

Stranded I'm so far from home  
Stranded yeah I am on my own  
Stranded why don't you leave me alone  
C'mon (X2)
