I've been watching you  
From across the room  
As it appears to me, you're lonely.  
Did you just lose your girl?

I thought I'd walk on over to you.  
See if you would smile.  
Well, I've only tried  
To make you feel better.

Feel better...

I have never felt  
What I feel for you  
Would I feel as though I know you  
And had to tell you so?

Now you know what brought me to you  
See if you would smile.  
Well, I've only tried  
To make you feel better.

Feel better...

You don't have to tell me now  
If someone's on your mind.  
It really doesn't matter much to me.

If you'd like to spend some time  
Spend some time with me.  
Let me keep you company...

Feel better...  
Feel better...

I have never felt  
What I feel for you  
Would I feel as though I know you  
And had to tell you so?

Now you know what brought me to you  
See if you would smile.

Well, I've only tried  
To make you feel better.

You don't have to tell me now  
If someone's on your mind.  
It really doesn't matter much to me.

If you'd like to spend some time  
Spend some time with me.  
Let me keep you company...

Feel better...  
Feel better...  
Feel better...  
Feel better... Better...  
Feel better... Better, better, better...  
Feel better... Better, better, better...  
Feel better... Better, better, better...  
Feel better...
