Conquest

He was out to make a conquest
Didn't care what harm was done
Just as long as he won the prize

Conquest

She was just another conquest
Didn't care whose heart was broke
Love to him was a joke
'Til he looked into her eyes

And then in the strange way things happen
Their roles were reversed from that day
The hunted became the huntress
The hunter became the prey

Conquest

Now you know who made the conquest
She, with all her female guile
Led him helpless down the aisle
She had finally made a conquest

And then in the strange way things happen
Their roles were reversed from that day
The hunted became the huntres
The hunter became the prey

Conquest

Now you know who made the conquest
She, with all her female guile
Led him helpless down the aisle
She had finally made a conquest
