The sun contains rain,
They lable vitamin D.
If you like vitamin D,
It'squite alright with me.
But I am here to say,
That I like vitamin love.
But I can't get vitamin love,
With that doggone sun above.
I don't care if the sun don't shine,
I'll get my lovin' in the evening time.
When I'm with my baby.
It's no fun with the sun around,
But I get going when the sun goes down,
And I meet my baby.
That's when we kiss and kiss and kiss,
And then we kiss some more.
Don't ask how many times we kiss,
At a time like this,
Who keeps score?
So I don't care if the sun don't shine,
I'll get my lovin' in the evening time.
When I'm with my baby.
I don't care if the sun don't shine,
I get my lovin' in the evening time.
When I'm with my baby.
It's no fun with the sun around,
But I get going when the sun goes down.
And I meet my baby.
That's when we kiss and kiss and kiss,
And then we kiss some more.
Don't ask how many times we kiss,
At a time like this,
Who keeps score?
So I don't care if the sun don't shine,
I 'll get my lovin' any time.
When I'm with my baby.
