For always and always  
I'll remember today  
How you held me and kissed me  
In the tenderest way  
Even though you may leave me  
In my heart you will stay  
Though I'm lonely tomorrow  
I'll remember today  
For as long as I live dear  
I'll remember today  
How you wispered "I love you"  
In the tenderest way  
Through the winds of December  
And the magic of May  
Through a million tomorrows  
I'll remember today  
I remember the music  
And the welcoming skies  
How the sound of your voice  
Through the love in your eyes  
So for always and always  
I'll remember today  
How you held me and kissed me  
In the tenderest way  
Through a million tomorrows  
I'll remember today  
Oh how I'll remember today
