Goin' out stylin' with your high heels on.  
I ain't got the time,  
If you ain't got the need for me.  
It's enough to make a grown man weak. Ooh, yeah.

You're colder than December on the fourth of July.  
Oh, such a pretender.  
Ain't no use in cryin' to me.  
All you want is sympathy. Ooh, yeah.

Whoa, you've got my heart bangin' like a big drum.  
You've got my love in chains.

It's over. Whoa-oh-whoa, it's over.  
Kiss me goodbye forever.  
Whoa-oh-whoa, it's over.  
Kiss me goodbye.

You can change you mind, girl, any time at all.  
Daytime, night time,  
Don't come looking for me.  
I won't be your mental relief.

Now now, now now, you can be a good girl,  
Or you can be a bad girl.  
Oh, it's such a heartache,  
Never know just who to please.  
Heaven knows that it sure ain't me, ooh.

Whoa, you've got my heart bangin' like a big drum.  
You've got my love in chains.

It's over. Whoa-oh-whoa, it's over.  
Kiss me goodbye forever.  
Whoa-oh-whoa, it's over.  
Kiss me goodbye forever.

Whoa-oh-whoa, it's over.  
Kiss me goodbye forever.  
Whoa-oh-whoa, it's over.  
Kiss me, kiss me. Huh!

(Guitar solo)

Whoa-whoa, you've got my heart bangin' like a big  
drum.

You've got my love in chains.

It's over. Whoa-oh-whoa, it's over.

Kiss me goodbye forever.

Whoa-oh-whoa, it's over.

Kiss me goodbye forever.

Whoa-oh-whoa, it's over.

Kiss me goodbye.

You can be a good girl,

Whoa-oh-whoa,

You can be a bad girl.

It's over.

Oh, it's such a heartache,

Kiss me goodbye

Kiss me goodbye.

Forever.

Ahh, you've got to ki-ki-ki-ki-kiss me, baby.

Kiss, kiss, kiss me.

It's over.

Whoa-oh-whoa, it's over.

Kiss me goodbye forever.

Whoa-oh-whoa, it's over.

Kiss me goodbye forever.
