You're so romantic.
I'm never in control.
So electric,
You're too much for one man to hold.

I don't need you,
But still I can't let go.
I shake and shiver,
But I can't get enough.
Can't get enough.

Take this heart. Hold on tight.
We can find love if it takes all night.
Take this heart. Make it all right.
Take this heart of mine,
And let me be the one.

Yeah, desperation,
It's what I feel.
Intoxication.
Girl, what you do for me is real.

I don't need you,
No, but still I can't let go.
I keep pretending
That you can't get enough.
You can't get enough.

Take this heart. Hold on tight.
We can find love if it takes all night.
Take this heart. Make it all right.
Take this heart of mine,
And let me be the one.

(Guitar solo)

Take this heart. Take this heart.
Take this hand. Take this hand.
Don't hold nothin' back.
Take this man.
We got one last chance.

So, take this heart. Hold on tight.
We can find love if it takes all night.
Take this heart. Make it all right.
Take this heart of mine.

Take this heart. Hold on tight.
We can find love if it takes all night.
Take this heart. Make it all right.
Take this heart, this heart, this heart.
Take this heart, this heart, this heart.

Take this heart.
Whoa-oh.
Take this heart.
Whoa-oh. Whoa-oh.
