Distant meadows, Northern light  
Awaken by the warm sunrise  
We spent the night under the stars  
Just talking 'bout the way things are

You told me your dreams and your philosophies  
And I shared my songs and memories  
Tell me, ain't that the way it's supposed to be  
When you're falling

You say I'm your closest friend  
Yes, I'm sorry, baby, that's the way it is

This love, oh my unrequited love  
Has got to be the hardest thing,  
The deepest pain,  
The cruelest joke God ever played

Watching movies in tonight  
When Harry Met Sally always felt so right  
You say it's your favourite 'cause we're just like them  
Except they fall in love at the end

You tell me your secrets and curiosities  
And how you love my eccentricities

Tell me, ain't that the way it's supposed to be  
When you're falling

You say I'm your closest friend  
Yes, I'm sorry, baby, that's the way it is

This love, oh my unrequited love  
Has got to be the hardest thing,  
The deepest pain,  
The cruelest joke God ever played

To the troubled souls of those who yearn  
For those with passions unreturned  
Through my own desires I could not see  
The blessing's right in front of me

Your love, your unconditional love  
Has got to be the strongest thing  
The sweetest dream  
The greatest gift God ever gave  
Love, oh my unrequited love  
It's got to be the hardest thing,  
The deepest pain,  
The cruelest joke God ever played  
He ever played on me
