Cool and put on you no gun
Look for the terrorists walkin' up and down
Cool and put on you no gun
Like a canon or a magnum I say dem not welcome

Stop gun fabrication, it's not a way to unite
Stop gun fabrication, we don't need guns to fight

Cool and put on you no gun
Stop heat up the scene, you better drink milk and not
Rum
Cool and put on you no gun
Stop screw up your face jus like a devil sent you come

Stop gun fabrication, it's not a way to unite
Stop gun fabrication, we don't need guns to fight

Cool and put on you no gun
Look for the terrorists walk up and down
Cool and put on you no gun
