So so alive (x a bunch)

Little boy
No father
Skip school
Why bother
Life's hard
Act harder
Can't cope
He'll come

Hot head
Cold world
All alone
Beats girl
Never thought
The pain would end

Feel so alive again
So so alive (x a bunch)
Feel so alive again

Little girl
Big problems
Two jobs
Two daughters
Saved up
Few dollars
With any luck
Get through college
Night school
Few years
Graduate she'd tears
Never thought the pain would end

Feel so alive again
So so alive (x a bunch)
Feel so alive again
So so alive (x a bunch)
Feel so alive again
Hey
