There was a time
When I would sit and say
That I'll never
Fall in love again
Now I know (Darling now I know)
Yes I know

How sweet it is
To be in love

Since I found you
My whole life has changed
And I'm so happy
To love you more each day
Yes I know (Darling yes I know)
Yes I know

How sweet it is
To be in love

Let me tell you people
What I have to say
Go find your true love
And say the same someday
Say that you know (Darling that you know)
That's how I know

How sweet it is
To be in love
