The spark in your eyes sets my soul on fire  
Your voice is like an angel above;  
The touch of your hand drives me insane,  
But baby, I want to be loved

I'm crazy 'bout every little thing you do  
Even cherish your hugs  
Your kiss is so sweet, it can't be beat,  
But baby, I want to be loved.

Every time that I ask you for a date,  
You don't come at all or you're mighty late  
I ask you to dance, take a little spin  
You say, "Wait a minute, daddy, here comes my  
friend"

I love the way you walk when you pass me by,  
Even when you try to snub  
The touch of your hand leaves me insane,  
But baby, I want to be loved.
