I think of you and all you've done  
Tell me do you see me or have I gone?  
While the whitest eyes are wasting tears  
Have you just left me here?

I need to rush, the timing's wrong  
But in another year, I could be gone  
In another time, in another place  
Would I even wake?

You told me to let go  
And I had my eyes closed  
Why would you wake me  
If you're not gonna save me?

You make me want you  
And I didn't want to  
Why would you wake me  
If you're not gonna save me?

I didn't know what you've become  
I never thought that I'd see you run  
Should have let me sleep  
No you didn't need to be waking me

It's chemical, you were never mine  
When I needed you, couldn't even fight  
In another time, in another place  
Would I even wake?

You told me to let go  
And I had my eyes closed  
Why would you wake me  
If you're not gonna save me?

You make me want you  
And I didn't want to  
Why would you wake me  
If you're not gonna save me?

Oh, so just talk to me, talk to me  
Oh, the things I hope are never meant to be

Talk to me  
Please don't go

You told me to let go  
And I had my eyes closed  
Why would you wake me  
If you're not gonna save me?

You make me want you  
And I didn't want to  
Why would you wake me  
If you're not gonna save me?

You were never ready to save me
